

Ideas for activities

We could also play food stuck in the mud were a few people are food groups like protein etc and the others are foods like bread etc and the food group people have to catch the relevant food people but the food group person has to say the food in French.

For one of our homework we could create a French menu and maybe a French recipe and maybe even cook our creations

Translate all the ingredients of a cigarette to French.

To learn the French for a exercise do the exercise while doing the sport.

Near the end of the topic when we know most of the vocab have a game style activities like eggheads.
